

# Smart Phone Control Kit

Have you ever left the house in the morning and thought, "Did I remember to close the garage door?"

Phone not included

B&D® Smart Hub

An open garage is an open invitation for unwanted entry so it pays to know that you can control your door while you are away from home with B&D®. The kit allows you to monitor and control your garage door while you are at work or even on holidays from your compatible smart phone\*.

Best of all, the kit is available for both Rolling and Sectional style garage doors.

**Smart Phone Control is a great solution for those who carry a smart phone all the time.**

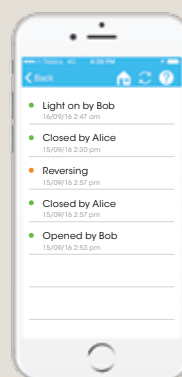

## YOUR SILENT ALARM

The B&D® App features real time notifications alerting you whenever your door is operated, opened for an extended period of time or when your opener is in need of a service.

## CUSTOMISATION

The B&D® App can be customised to suit your lifestyle. From partial opening modes to restricting door access times, your protection and security is a priority.

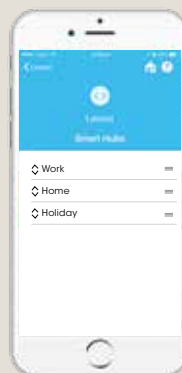

## ACTIVITY LOG

You can view usage history on the App so you know who has operated your garage door and when.

## TOTAL CONTROL

The B&D App allows authorised users to operate the garage door without a remote. Give access to as many users as you like or remove access at the click of a button.

## MULTIPLE DEVICES IN MULTIPLE LOCATION

Through the App, you can control multiple garage doors and compatible gates in more than one location (eg. your home garage door, your business or holiday home garage door).
